To Whom It May Concern:

Withdraw and Resubmission of Electronically Filed FCC Form 555

On January 16, 2014 at approximately 9:40 AM, I submitted on behalf of Home Telephone Company, Inc. (411782) FCC Form 555. Form 555 was submitted via the Electronic Comment Filing System and was assigned confirmation #2014116350742. Upon review of the submission, I realized the submitted form was for the 2012 calendar year and not the revised 2013 form.

On January 16, 2014 at approximately 1:18 PM, I submitted on behalf of Home Telephone Company, Inc. (411782) the revised 2013 FCC Form 555, confirmation #2014116850927. I then submitted the revised Form 555 filing to the USAC. A few minutes after submitting the revised filing with the USAC, I received an email from a USAC Staffer advising that several companies that had already completed the filing had misinterpreted and incorrectly answered "block C" in section 2 of the filing. The staffer reviewed the Home Telephone Company, Inc. submission and determined the information in "block C" was inaccurate and needed to be changed and resubmitted. I revised the form and resubmitted the corrected Form 555 to the USAC.

On January 22, 2014 at approximately 9:30 AM, I submitted a revised FCC Form 555 via the Electronic Comment Filing System (Confirmation #201412259902). Based on the aforementioned information, I would respectfully request that the FCC Form 555 assigned confirmation # 2014116350742 and # 2014116850927 be withdrawn and FCC Form 555 assigned confirmation # 2014122549902 be accepted as Home Telephone Company's Form 555 filing for 2013. Thank you for your consideration in this matter.

Sincerely,

Brad Wedel
